When Is Your House Radio Controlled?

Modernizing – Made Simple and Economical - with Radio Control

- ❖ Connect, screw on, stick on – in only 15 minutes. No need to cut channels into walls, no dirt, no wallpapering or paintwork – nor 5 days of work.
- ❖ Various extensions and changes possible at any time. The installation adapts to your needs and desires.
- ❖ Save energy costs by reducing stand-by consumptions and by switching consumers on and off individually and only when needed.

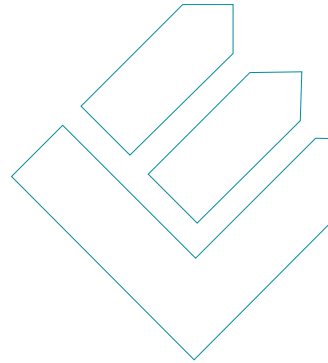

Plan. Install. Mount. Done.
